**Phoenix Virtual Solutions to Showcase Expertise and Innovation at
MGMA's 2022 Medical Practice Excellence: Leaders Conference**

Phoenix Virtual Solutions will be exhibitors at the MPE Leaders Conference and will be featured as a Content Spotlight Session Presenter providing medical practice management professionals with actionable learnings during a time of rapid industry change

Orange, California August 12, 2022 – Phoenix Virtual Solutions is pleased to announce its participation in the Medical Group Management Association (MGMA) 2022 Medical Practice Excellence: Leaders Conference October 9-12, 2022, taking place in Boston, Massachusetts, at Booth #106, and via Digital Experience (DX), on November 10, 2022. This will provide attendees an opportunity to reconnect with peers to solve some of the biggest challenges medical practices face every day, such as improving patient outcomes, minimizing inefficiencies, building winning teams, and optimizing revenue cycles. We will be meeting in person in October. Attendees of our Content Spotlight Session, *Operations Efficiency: How Medical Practices Stay Lean on Labor Cost*, on Sunday, October 9, 2022, from 6:15pm-6:45 pm EST, will also have the opportunity to join us virtually for the Digital Experience (DX) on November 10, 2022, 11:00am-11:30am EST.

Throughout the 4-day in person conference in October and the 2-day virtual Digital Experience (DX) sessions in November, Phoenix Virtual Solutions will be showcasing all available virtual offshore staffing services and demonstration of how to include operations efficiency with the help of Virtual Assistants. Phoenix Virtual Solutions' Content Spotlight Session, *Operations Efficiency: How Medical Practices Stay Lean on Labor Cost*, on Sunday, October 9, 2022 will provide session attendees a knowledge of:

1. How offshore virtual staffing works
2. How to Get Started on Hiring a Virtual Staff
3. Identify ways operational efficiency can be gained

“We are most excited to be a part of the MPE Leaders Conference to be engaging with healthcare decision makers, understanding current staffing pain points and to help collaborate on solutions.”

- Mel Rebong, CEO, Phoenix Virtual Solutions

The theme of the MGMA Medical Practice Excellence: Leaders Conference is Reaching New Horizons. The conference will bring healthcare professionals together to choose the educational path that fits their day-to-day roles and responsibilities, and offers attendees access to the latest healthcare operations, patient care, leadership, and financial education topics. The sessions this year will emphasize interactive elements and allow attendees access to 70 sessions, 120 speakers and opportunities to network with 2,500+ peers in a state-of-the-art in person experience.

About MGMA

Founded in 1926, the Medical Group Management Association (MGMA) is the nation's largest association focused on the business of medical practice management. MGMA consists of 15,000 group medical practices ranging from small private medical practices to large national health systems representing more than 350,000 physicians. MGMA helps nearly 60,000 medical practice leaders and the healthcare community solve the business challenges of running practices so that they can focus on providing outstanding patient care. Specifically, MGMA helps its members innovate and improve profitability and financial sustainability, and it provides the gold standard on industry benchmarks such as physician compensation. The association also advocates extensively on its members' behalf on national regulatory and policy issues. To learn more, go to MGMA.com or follow us on [LinkedIn](#), [Twitter](#) and [Facebook](#).
